Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

SCHANER ROYAL LEADER 25th — is very dark red with a good head, and maybe the deepest bull ever sired by Edellyn Royal Leader 98th. The sire of the top bull in 1953 in Omaha, the Sioux City Champion and the Iowa Royal Champion. In 1954 he sired the Sioux City Reserve Champion and the top selling bull in Spencer. We hope you talk to the 1953 buyers on the results that they are having with the first bulls of the 98th.

LANE VIEW DEFENDER - We have mated all of our eight cows to him, and if we had a larger herd he wouldn't be for sale. He has a good head, is deep bodied, with a bulging hind quarter. Is gentle and a sure breeder. They tell us this Retzlaff Golden Chain family is one of the best.

STROWAN SOUVENIR — by Greenwood Souvenir. The breeding that is writing a new chapter in showing history. He was reserve grand champion, 1953 Ohio State Fair, reserve senior champion, Indiana State Fair, and had earlier that year been first in the summer yearling class at the Fort Worth, Texas, show. His calves are real top-notch prospects.

HHF SENTRY SOUVENIR — is a rugged bull with smoothness and bred to do a good job in your breeding herd. Sired by Strowan Souvenir, many times a winner at the shows and sire of winning calves, his grandsire, Greenwood Souvenir, top selling bull of the 1949 International sale, has also proved himself likewise. The dam, HHF Rosebud B 2d, by the champion, Sunset Bounce is out of the imported cow, Golden Rosebud, a cow that always produced good ones. To see this bull could well be to like him.

ROSEWOOD RED 23rd - this granddaughter of the \$8,000 Denver champion, Edellyn Peerless Mercury, is we think, one of the best females that will sell this spring anywhere. She is quality from top to bottom and you will recall that Edellyn Peerless Mercury was a full brother to Edellyn Campeon Mercury, sire of two International grand champions. The daughters of Edellyn Golden Count were some of the best brood cows in the business.
